**Sandspring Resources Announces Continuation to B.C.,  
Name Change to Gold X Mining Corp. and 8:1 Consolidation**

**November 28, 2019 – Denver, Colorado and Vancouver, British Columbia – Gold X Mining Corp. (TSX-V: GLDX, OTCQX: SSPXF)** (“Gold X” or the “Company”) announces that it has continued its jurisdiction of incorporation into British Columbia and that the Board of Directors of the Company has approved a name change to “Gold X Mining Corp.” and a consolidation of its issued and outstanding share capital on the basis of one new common share for every eight outstanding common shares.

As a result, the outstanding common shares of the Company will be reduced to approximately 35,149,209. The consolidation will also apply to common shares issuable upon the exercise of the Company’s outstanding stock options and warrants. Effective at the opening of markets on Monday, December 2, 2019, the post-consolidation common shares of the Company will commence trading on the TSX Venture Exchange under the new symbol “GLDX”. No fractional shares will be issued under the consolidation and any fraction will be rounded to the nearest whole number.

The Company also announces a reorganization of its Board of Directors with the resignations of Mr. David Constable and Mr. Harry Pokrandt. The Board of Directors recognizes their contributions to the Company and wishes each of the resigning board members continued success in the future. Following their departure, the Company’s Board of Directors is comprised of Richard Munson, Greg Barnes, Gordon Keep, Bassam Moubarak, Suresh Beharry, David Laing, Federico Restrepo-Solano and Lombardo Paredes-Arena.

**On behalf of the Board of Directors of Gold X Mining Corp.**

***Forward-looking Statements***

*This press release includes certain forward-looking statements concerning future performance and operations of the Company, including the anticipated date for the commencement of trading post-consolidated basis. Forward-looking statements are frequently identified by such words as "may", "will", "plan", "expect", "anticipate", "estimate", "intend" and similar words referring to future events and results. Forward-looking statements are based on the current opinions and expectations of management at the time such statements are made. All forward-looking statements and information are inherently uncertain and subject to a variety of assumptions, risks and uncertainties, including the speculative nature of mineral exploration and development, fluctuating commodity prices, changes in project parameters as plans continue to be refined, uncertainties of project cost overruns or unanticipated costs and expenses, uncertainties inherent in conducting operations in a foreign country, uncertainties related to the availability and costs of financing needed in the future, the risk that the conclusion of pre-production studies may not be accurate, the Company's successful advancement of the Toroparu Project toward feasibility and obtaining positive results from ongoing evaluation and testing of multiple gold targets located in the Company's landholdings in Guyana and Colombia, among other risks as described in our public filings available at [www.sedar.com](http://www.sedar.com). Actual events or results may differ materially from those projected in the forward-looking statements and we caution against placing undue reliance thereon. Gold X Mining Corp. has an ongoing obligation to disclose material information, as it becomes available.*
