MANAGEMENT INFORMATION CIRCULAR

ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD ON NOVEMBER 23, 2020

This management information circular is furnished in connection with the solicitation of proxies by management of Gold X Mining Corp. (the “Company”) for use at the annual and special meeting of shareholders of the Company (the “Meeting”) to be held at Suite 3123, 595 Burrard Street, Vancouver, British Columbia, on Monday, November 23, 2020 at 10:00 a.m. (Vancouver (PDT)) time) and any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of meeting (the “Notice of Meeting”). This management information circular and the enclosed form of proxy will be mailed to the registered holders of common shares of the Company (the “Common Shares”) of record at the close of business on October 16, 2020 (the “Record Date”). Except to the extent otherwise stated herein, all information set forth herein is given as of the Record Date, and all dollar amounts set forth herein unless specifically noted otherwise are stated in Canadian dollars. Information set forth herein as to shareholdings is based upon information supplied by the respective persons holding such Common Shares.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The Company will bear the cost of soliciting proxies on behalf of management. The Company will reimburse brokers, custodians, nominees and other fiduciaries for their reasonable charges and expenses incurred in forwarding this proxy material to beneficial owners of Common Shares. In addition to solicitation by mail, certain officers, directors and employees of the Company may solicit proxies by telephone or personally but will receive no compensation for so doing.

The Company intends to hold the Meeting in person. However, due to the COVID-19 pandemic, to mitigate risk to the health and safety of our communities, shareholders and employees, the Company requests that shareholders not attend the Meeting in person. The Company encourages shareholders to instead vote their shares in advance of the Meeting via mail, facsimile or online. No management presentation will be made at the Meeting.

If any shareholder does wish to attend the Meeting in person, please contact Jasvir Kaloti at (604) 609-6138 or email jkaloti@fiorecorporation.com in order for arrangements to be made that comply with all recommendations, regulations and orders related to the COVID-19 pandemic. The Meeting can accommodate no more than 5 shareholders in person. Attendance will be on a first come, first served basis. No shareholder who is experiencing any symptoms of COVID-19, including fever, cough or difficulty breathing will be permitted to attend the Meeting in person. The Company may take additional precautionary measures in relation to the Meeting as necessary in response to further developments related to the COVID-19 pandemic and shall comply with all applicable recommendations, regulations and orders related thereto. In the event it is not possible or advisable to hold the Meeting in person, the Company will announce alternative arrangements for the Meeting as promptly as practicable, which may include holding the Meeting entirely by electronic means.

These materials are being sent to both registered and non-registered owners of Common Shares. If you are a Non-Registered Shareholder (as defined below), and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company, (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Voting by Non-Registered Shareholders

Only registered shareholders of the Company or the persons they appoint as their proxies are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders (“**Non-Registered Shareholders**”) because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS & Co.) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Company will have distributed copies of the Notice of Meeting, this management information circular, the form of proxy, the supplemental mailing card, and in the case of those shareholders who have so requested through the completion and return of the supplemental mailing card provided by the Company in its last annual mailing, a copy of the Company’s audited financial statements, including the report of the auditors thereon, and management’s discussion and analysis for the financial year ended December 31, 2019 (the “**Meeting Materials**”) to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (i) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions which the Intermediary must follow. Typically, the voting instruction form will consist of a one-page pre-printed form. Sometimes, instead of the one-page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for the form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- (ii) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. **In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete, sign, date and return the enclosed form of proxy to the Company’s Registrar and Transfer Agent, Computershare Trust Company of Canada, Attention: Proxy Department, by mail at: 100 University Ave., 8th Floor, Toronto, Ontario M5J 2Y1, or by fax at: 1 (866) 249-7775 within North America, and outside North America at: (416) 263-9524, no later than 10:00 a.m. (Vancouver (PDT) time) on Thursday, November 19, 2020, or, if the Meeting is adjourned or postponed, no later than 48 hours preceding the time of such adjourned or postponed meeting (excluding Saturdays, Sundays and statutory or civic holidays in the City of Vancouver, British Columbia).**

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting in person (or have another person attend and

vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the person(s) named in the form of proxy and insert the Non-Registered Shareholder's or such other person's name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or voting instruction form is to be delivered.**

A Non-Registered Shareholder may revoke a voting instruction form, proxy or waiver of the right to receive Meeting Materials and to vote at any time by written notice to the Intermediary, provided that an Intermediary is not required to act on a revocation of a voting instruction form, proxy or of a waiver of the right to receive Meeting Materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

Manner Proxies will be Voted

To be voted, the accompanying form of proxy must be properly completed, signed, dated and returned to the offices of the Company's Registrar and Transfer Agent, Computershare Trust Company of Canada, Attention: Proxy Department, by mail at: 100 University Ave., 8th Floor, Toronto, Ontario M5J 2Y1, or (i) by fax at: 1 (866) 249-7775 within North America, and outside North America at: (416) 263-9524; (ii) online at www.investorvote.com and follow the instructions; or (iii) by phone at 1 (866) 732-8683, toll free within North America, no later than 10:00 a.m. (Vancouver (PDT) time) on **Thursday, November 19, 2020**, or, if the Meeting is adjourned or postponed, no later than 48 hours preceding the time of such adjourned or postponed meeting (excluding Saturdays, Sundays and statutory or civic holidays in the City of Vancouver, British Columbia). Late proxies may be accepted or rejected by the Chairman of the Meeting at his discretion, and the Chairman is under no obligation to accept or reject any particular late proxy. **On any ballot that may be called for at the Meeting, the Common Shares represented by such form of proxy will be voted or withheld from voting in accordance with the instructions of the shareholder appearing on such form of proxy, and, if a choice is specified therein in respect of any matter to be acted upon, will be voted in accordance with the specification made. In the absence of such specification, such Common Shares will be voted for such matter.**

The accompanying form of proxy confers discretionary authority upon the person acting as proxy thereunder with respect to amendments or variations to matters identified in the accompanying Notice of Meeting and with respect to other matters which may properly come before the Meeting. As at the date hereof, management knows of no such amendments, variations or any other matters, which may properly come before the Meeting.

Appointment of Proxies

Each shareholder has the right to appoint a person other than the persons named in the accompanying form of proxy, who need not be a shareholder, to attend and act on his, her or its behalf at the Meeting. Any shareholder wishing to exercise such right may do so by striking out the names of the management nominees and inserting in the blank space provided in the accompanying form of proxy the name of the person whom such shareholder wishes to appoint as proxy. A shareholder wishing to be represented by proxy at the Meeting, or any adjournment or postponement thereof, must in all cases deposit the properly completed, signed and dated proxy with the Company's registrar and transfer agent at the address or facsimile number and by the time specified under the heading "Manner Proxies Will be Voted", above.

Revocability of Proxy

A shareholder giving a proxy has the power to revoke it. Such revocation may be effected by written instrument revoking such proxy executed by the shareholder or by his, her or its attorney authorized in writing or where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and deposited at the office of the Company's Registrar and Transfer Agent, Computershare Trust Company

of Canada, at any time up to and including the last business day preceding the date of the Meeting or any adjournment or postponement thereof, or with the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof. If such written instrument is deposited with the Chairman of the Meeting on the day of the Meeting, or any adjournment or postponement thereof, such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

Voting Securities and Principal Holders of Voting Securities

The authorized capital of the Company consists of an unlimited number of Common Shares and preferred shares (the “**Preferred Shares**”), of which 52,744,252 Common Shares and no Preferred Shares are issued and outstanding as at the Record Date. Each Common Share carries the right to one vote per Common Share. The quorum required for the Meeting is two persons holding or representing by proxy not less than 10% of the outstanding Common Shares of the Company entitled to vote at the Meeting.

To the best of the directors’ and officers’ knowledge, no person beneficially owns or exercises control or direction, directly or indirectly, over voting securities carrying more than 10% of the voting rights attached to the voting securities of the Company, other than as below:

<u>Name</u>	<u>Number of Common Shares Beneficially Owned, Controlled or Directed ⁽¹⁾</u>	<u>Percentage of Outstanding Common Shares</u>
Gran Colombia Gold Corporation	9,571,158	18.22%

Notes:

(1) The information as to Common Shares beneficially owned or over which control or direction is exercised, directly or indirectly, not being within the knowledge of the Company, has been furnished by the shareholder listed above.

Only shareholders of record at the close of business on the Record Date will be entitled to vote in person or by proxy at the Meeting or at any adjournment or postponement thereof (subject in the case of voting by proxy to the timely deposit of a properly completed, signed and dated proxy with Computershare Trust Company of Canada as specified herein and in the Notice of Meeting).

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as otherwise set out herein, to the best of management’s knowledge, no director or executive officer of the Company, or any person who has held such a position since January 1, 2019, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

PARTICULARS OF MATTERS TO BE ACTED UPON

Audited Financial Statements

The audited financial statements of the Company for the financial year ended December 31, 2019, and the report of the auditors thereon will be presented before the Meeting. The audited financial statements for the financial year ended December 31, 2019, the report of the auditors thereon and management’s discussion and analysis were mailed with this management information circular to those shareholders of the Company who have so requested through the completion and return of the supplemental mailing card provided by the Company in its last annual mailing.

Registered Shareholders must also provide written instructions in order to receive the financial statements.

Fixing The Number Of Directors And Election Of Directors

The persons named in the enclosed Instrument of Proxy intend to vote in favour of fixing the number of directors at seven (7). Management has nominated seven (7) individuals to stand for election. Each director of the Corporation is elected annually and holds office until the next Annual General Meeting of Shareholders unless his successor is duly elected or until his resignation as a director. In the absence of instructions to the contrary, the shares represented by Proxy will be voted for the nominees herein listed. Management does not contemplate that any of the nominees will be unable to serve as a director.

Information Concerning Nominees Submitted By Management

All of the following persons whose names are set out below have been nominated by the board of directors of the Company (the "**Board**") for election as directors at the Meeting. The term of office of all present directors of the Company expires when the new directors have been elected at the Meeting.

Unless the shareholder has specified in the proxy that his, her or its Common Shares are to be withheld from voting in the election of directors, the persons named in the accompanying form of proxy will vote the Common Shares represented thereby in favour of electing as directors the nominees named below, provided that if any one or more of such nominees should become unavailable for election for any reason, the persons named in the accompanying form of proxy, unless instructed to withhold from voting, will vote the Common Shares represented thereby in favour of the election of the remaining nominees as directors and such other substitute nominee(s) as the acting Chairman of the Board, may designate. Notes:

(1) To the best of management's knowledge, no proposed director is, as at the date hereof, or has been, within 10 years before the date hereof, a director, chief executive officer or chief financial officer of any company (including the Company), that:

(a) while the proposed director was acting in that capacity, was the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive

days (collectively, an “Order”)

or

(b) was subject to an Order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

(2) To the best of management’s knowledge, except as stated below, no proposed director:

(a) is, as at the date hereof, or has been within the 10 years before the date hereof, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or

(b) has, within the 10 years before the date hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Robert Friedland served as the Executive Co-Chairman of Ivanhoe Energy Inc. (“Ivanhoe Energy”) from May 2008 to October 2014 and was Deputy Chairman from June 1999 to May 2008, President from May 2008 to May 2010, and Chief Executive Officer from May 2008 to December 2011. Cease trade orders were issued against Ivanhoe Energy in Alberta (July 15, 2015), Quebec (May 7, 2015), Manitoba (May 6, 2015), Ontario (May 4, 2015) and British Columbia (April 14, 2015) because the company did not file its audited financial statements and associated filings for the year ending December 31, 2014. The cease trade orders remain in effect as at the date of this management proxy circular. On February 20, 2015, Ivanhoe Energy filed a Notice of Intention to Make a Proposal under subsection 50.4(1) of the Bankruptcy and Insolvency Act (Canada). Ivanhoe Energy was assigned into bankruptcy on June 2, 2015 and dissolved on May 16, 2017.

On December 18, 2018, Zwoop Limited (“Zwoop”) was placed into voluntary wind-up and liquidators were appointed under the Hong Kong Companies (Winding Up and Miscellaneous Provisions) Ordinance (CWUMPO). Mr. Friedland was a director of Zwoop until September 21, 2018.

- (4) Member of the Compensation Committee.
- (5) Member of the Audit Committee.
- (6) Mr. Matysek holds 12,500 common shares and through his holding company, Bedrock Capital Corporation, holds 1,078,948 common shares of the Company.

Majority Voting Policy

The Board has adopted a majority voting policy stipulating that shareholders shall be entitled to vote annually in favour of each individual director nominee at a shareholders’ meeting. If the votes in favour of the election of a director nominee at a shareholders’ meeting represent less than the number of votes withheld, the nominee will submit his resignation promptly after the meeting for the Corporate Governance Committee’s consideration (or, if there is no Corporate Governance Committee at the time, then the Audit Committee). In such circumstances, the Corporate Governance Committee (or Audit Committee, as applicable) will make a recommendation to the Board as to the director’s suitability to continue to serve as a director after reviewing, among other factors deemed relevant, the results of the voting for the nominee, and the Board will consider such recommendation in determining whether or not to accept such director’s resignation. Such determination will be made within 90 days of the shareholders’ meeting. If a resignation is accepted, subject to any corporate law restrictions, the Board may leave the vacancy unfilled or appoint a new director to fill the vacancy. The policy does not apply in circumstances involving contested director elections.

Appointment of Auditor

The Board proposes to nominate Deloitte LLP, Chartered Professional Accountants, for re-appointment as the auditor of the Company to hold such position until the next annual meeting of shareholders.

Unless the shareholder has specified in the proxy that his, her or its Common Shares are to be withheld from voting in the appointment of the auditor, the persons named in the accompanying form of proxy will vote the Common Shares represented thereby in favour of appointing Deloitte LLP as auditor of the Company and authorizing the directors to fix their remuneration.

As required by Section 4.11 of National Instrument 51-102, included with this information circular as Schedule "C" are copies of the following materials which have been filed with securities regulatory authorities in connection with the change of auditors:

1. Notice of Change of Auditor dated October 2, 2020,
2. Letter from KPMG LLP, dated October 5, 2020; and
3. Letter from Deloitte LLP, Chartered Accountants, dated October 5, 2020.

Approval of Previously Granted Options

As announced on June 22, 2020, Robert Friedland was appointed as non-executive Chairman of the Company. In connection with his appointment, Mr. Friedland was granted options to acquire 2,000,000 Common Shares (representing approximately 5.23% of the number of Common Shares then outstanding) at a discounted market price of \$2.50 per share. In addition, certain other directors, officers and consultants of the Company were granted options to acquire 1,400,000 Common Shares at the market price of \$2.83 per share. All these options vest in equal quarterly amounts and are exercisable until June 22, 2025. These grants (the "Option Grants"), and the optionees who received the Option Grants, are set out in the table below.

Name	Position	Number of Options Granted	Exercise Price
Robert Friedland	Chairman and Director	2,000,000	\$2.50
Paul Matysek	CEO and Director	700,000	\$2.83
Bassam Moubarak	CFO, Executive Vice President and Director	300,000	\$2.83
Brian Paes-Braga	Consultant	300,000	\$2.83
Richard Munson	President	50,000	\$2.83
Greg Barnes	Executive Vice President	50,000	\$2.83
	TOTAL	3,400,000	

Since the grant to Mr. Friedland exceeded 5% of the number of Common Shares outstanding at the time of the grant, and since the Option Grants were in respect of an aggregate of 3,400,000 Common Shares, which exceeded the number of Common Shares then reserved for issuance under the Company's Stock Option Plan, the Option Grants are subject to receipt of "disinterested shareholder approval" as contemplated TSXV Policy 4.4. As a result, all Common Shares held by the above-named optionees, and their associates, being 3,367,134 Common Shares representing approximately 6.38% of the Common Shares entitled to be voted at the meeting, will be excluded from voting on the resolution approving the Option Grants. Approval of the Option Grants requires a simple majority of votes cast by disinterested shareholders and, as disclosed in the Company's June 22, 2020 press release, shareholders then holding approximately 34% of the outstanding Common Shares have committed to vote in favour of the Option Grant.

In order to approve the Option Grant, disinterested shareholders are asked to consider and approve the following resolution:

"BE IT RESOLVED THAT the grant by the Company of an aggregate of 3,400,000 stock options (the "Option Grants") to directors, employees and consultants of the Company be and is hereby approved as follows:

Name	Position	Number of Options Granted	Exercise Price
Robert Friedland	Chairman and Director	2,000,000	\$2.50
Paul Matysek	CEO and Director	700,000	\$2.83
Bassam Moubarak	CFO, Executive Vice President and Director	300,000	\$2.83
Brian Paes-Braga	Consultant	300,000	\$2.83
Richard Munson	President	50,000	\$2.83
Greg Barnes	Executive Vice President	50,000	\$2.83
	Total	3,400,000	

Recommendation of the Board

The Board has determined that the Option Grants are in the best interests of the Corporation and its shareholders and unanimously recommends that all shareholders vote in favour of approving the Option Grants.

Unless a shareholder specifies in the proxy that his, her or its Common Shares are to be voted against the ratification, confirmation and approval of the Option Grant, the persons named in the accompanying form of proxy will vote the Common Shares represented thereby in favour of the foregoing resolution.

Amendment of Stock Option Plan

At the annual and special meeting of shareholders of the Company held on November 5, 2019, the shareholders of the Company approved the Company's stock option plan (the "**Stock Option Plan**"), which

entitles the Company to grant stock options to purchase up to a maximum of 10% of the Common Shares issued and outstanding as at the time of grant.

Pursuant to Policy 4.4 of the TSX Venture Exchange (“**TSXV**”) Corporate Finance Manual, the Stock Option Plan is considered a rolling plan, which reserves for issuance a rolling maximum of 10% of the number of Common Shares issued and outstanding on the date of grant, and therefore must receive approval yearly at the Company’s annual meeting of shareholders. In addition, the Stock Option Plan must be submitted for TSXV review and acceptance each year.

In order to support the Option Grants, all as described above, the Company is proposing to amend the Stock Option Plan so that it is no longer a “rolling maximum” plan, but rather reserves a fixed number of shares issuance on exercise of options. Including the Option Grant, there are currently 6,812,025 shares issuance under options that have been granted. The Company is therefore proposing to fix the number of shares reserved for issuance under the Stock Option Plan at 7,000,000 shares, representing approximately 13.26% of the number of Common Shares outstanding, resulting in there being only 187,975 further options that could be issued under the Stock Option Plan without receipt of further disinterested shareholder approval. Other than this change from a 10% “rolling maximum” plan to a “fixed maximum” of 7,000,000 Common Shares reserved for issuance under the plan, all other terms and conditions of the Stock Option Plan will continue, unamended, in support of the previously-granted options.

The Company therefore requests that the shareholders amend, ratify and approve the Stock Option Plan, in the form attached as Appendix “A” to this management information circular by passing, with or without variation, the following ordinary resolution:

“BE IT RESOLVED THAT:

- (a) the reservation of a fixed maximum of 7,000,000 Common Shares for issuance on the exercise of stock options granted under the Stock Option Plan be and is hereby approved; and
- (b) the Stock Option plan, in the form attached hereto as Appendix “A”, is hereby amended, ratified and approved as the stock option plan of the Company.

Recommendation of the Board

The Board believes that the Stock Option Plan is important to the Company in order to retain its key individuals and recommends that shareholders vote in favour of the foregoing resolutions.

Unless a shareholder specifies in the proxy that his, her or its Common Shares are to be voted against the amended, ratification and approval of the Stock Option Plan, the persons named in the accompanying form of proxy will vote the Common Shares represented thereby in favour of the foregoing resolutions.

Other Matters

As of the date of this Information Circular, management knows of no other matters to be acted upon at this Meeting. However, should any other matters properly come before the Meeting, the shares represented by the proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the shares represented by the proxy.

Exercise of Compensation Securities

There was no exercise of compensation securities by any director of the Company or Named Executive Officer of the Company during the financial year ended December 31, 2019.

Stock Option Plans and Other Incentive Plans

The Company has adopted the Stock Option Plan, a “rolling” stock option plan which sets the number of options available for grant by the Company at an amount equal to up to a maximum of 10% of the Company’s issued and outstanding Common Shares from time to time, less any Common Shares reserved for issuance under other share compensation arrangements.

The purpose of the Stock Option Plan is to promote the profitability and growth of the Company by facilitating the efforts of the Company to attract and retain key individuals. The Stock Option Plan provides an incentive for and encourages ownership of Common Shares by its key individuals so that they may

increase their stake in the Company and benefit from increases in the value of the Common Shares. Directors, officers, employees, consultants and eligible charitable organizations (as such terms are defined in the Stock Option Plan) are eligible to be granted stock options under the Stock Option Plan.

Pursuant to the Stock Option Plan: (i) the aggregate number of options granted to any one person (and companies wholly-owned by that person) pursuant to the Stock Option Plan and any other share compensation arrangement in a 12-month period must not exceed 5% of the issued Common Shares calculated on the date an option is granted to the person (unless the Company obtains the requisite disinterested shareholder approval); (ii) the aggregate number of options granted to any one consultant in a 12-month period pursuant to the Stock Option Plan and any other share compensation arrangement must not exceed 2% of the issued Common Shares, calculated on the date an option is granted to the consultant; (iii) the aggregate number of options granted to all persons retained to provide investor relations activities in any 12-month period pursuant to the Stock Option Plan and any other share compensation arrangement must not exceed 2% of the issued Common Shares, calculated on the date an option is granted to any such person; (iv) the aggregate number of options reserved for issuance pursuant to the Stock Option Plan or any other share compensation arrangement to insiders within a one-year period shall not exceed 10% of the Common Shares outstanding from time to time; and (v) the aggregate number of options reserved for issuance pursuant to the Stock Option Plan or any other share compensation arrangement to insiders shall not exceed 10% of the Common Shares outstanding from time to time.

If the resolution amending the Stock Option Plan is approved, rather than a “rolling maximum” of 10% of the outstanding Common Shares being reserved for issuance under the Stock Option Plan, a fixed maximum of 7,000,000 Common Shares will be reserved for issuance under the Stock Option Plan, of which 6,812,025 Common Shares have already been allocated to outstanding Options. Subject to the Stock Option Plan and otherwise in compliance with the policies of the TSXV, the Board shall determine the manner in which an option shall vest and become exercisable. Options granted to consultants performing investor relations activities shall vest over a minimum of 12 months with no more than one-quarter (1/4) of such options vesting in any three-month period. All options are non-assignable and non-transferable. Disinterested shareholder approval will be required for any reduction in the exercise price of a stock option if the optionee is an insider of the Company at the time of the proposed amendment.

Subject to a minimum exercise price of \$0.10 per Common Share, the exercise price per Common Share for an option shall be not less than the “Discounted Market Price” as calculated pursuant to the TSXV Corporate Finance Policies at the date of grant.

Every option granted under the Stock Option Plan shall have a term not exceeding and shall therefore expire no later than 10 years after the date of grant (subject to extension where the expiry date falls within a “blackout period”). An option will be automatically extended past its expiry date if such expiry date falls within a “blackout period” during which the Company prohibits optionees from exercising their options, subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Company pursuant to its internal trading policies; and (ii) must expire upon the general disclosure of undisclosed material information; and (b) the automatic extension of an option will not be permitted where the optionee or the Company is subject to a cease trade order (or similar order under securities laws) in respect of the Company’s securities.

The Stock Option Plan contains provisions for adjustment in the number of Common Shares or other property issuable on exercise of a stock option in the event of a share consolidation, split, reclassification or other capital reorganization, or a stock dividend, amalgamation, merger or other relevant corporate transaction, or any other relevant change in or event affecting the Common Shares.

The Stock Option Plan provides that, if a bona fide offer for Common Shares is made to an optionholder, shareholders of the Company generally or to a class of securityholders of the Company including optionholders, which offer, if accepted in whole or in part, would result in the offeror exercising control over the Company (within the meaning of applicable securities law), the Board will have the sole discretion to

conditionally amend, abridge or otherwise eliminate any vesting schedules so that any options may be exercised by the holder thereof to permit such holder to tender the Common Shares received upon such exercise to said offer.

In connection with the exercise of an option, as a condition to such exercise the Company will require the optionee to pay to the Company an amount as necessary so as to ensure that the Company is in compliance with the applicable provisions of any federal, provincial or local laws relating to the withholding of tax or other required deductions relating to the exercise of such option.

According to the Stock Option Plan, if an optionee dies prior to otherwise ceasing to be an eligible person, each option held by such optionee shall terminate and shall therefore cease to be exercisable no later than the earlier of the expiry date and the date which is 12 months after the date of the optionee's death. Unless an option agreement specified otherwise, if an optionee (other than an optionee who is involved in investor relations activities) ceases to be an eligible person for any reason other than death, each option held by such optionee shall cease to be exercisable 90 days after such terminating event. If an optionee involved in investor relations activities ceases to be an eligible person for any reason other than death, each option held by such optionee shall cease to be exercisable 30 days after such terminating event.

If any portion of an option is not vested at the time an optionee ceases, for any reason whatsoever, to be an eligible person, such unvested portion of the option may not be thereafter exercised by the optionee or its legal representative, as the case may be, provided that the Board may, in its discretion, thereafter permit the optionee or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the option that would have vested prior to the time such option otherwise terminates.

As of the date hereof, the Company does not have any incentive plans other than the Stock Option Plan.

Employment, Consulting and Management Agreements

The Board recognizes the value of the Named Executive Officers and the importance of their consistent focus in the event of a possible change of control. It was determined by the Board that it is in the best interests of the Company to ensure that the consistency and stability of the Named Executive Officers is maintained during any change of control. Accordingly, other than Ms. Jessica Van Den Akker, each Named Executive Officer has an employment agreement with the Company that provides for payments to the Named Executive Officer in connection with termination or a change of control of the Company, as further described below.

Richard A. Munson ~ The employment agreement entered into among the Company, a wholly-owned subsidiary of the Company and Mr. Richard A. Munson, CEO of the Company, as amended, provides that in the event Mr. Munson is terminated without cause, the Company (through its wholly-owned subsidiary, which shall collectively be referred to in this paragraph as the "Company") shall pay to Mr. Munson, conditional upon his execution of a waiver and release of the Company for all potential claims arising from his employment, a lump sum severance payment equal to 12 months of his base salary in effect on the termination date, and all accrued but unused vacation to the date of termination. In addition, Mr. Munson is entitled, at his election, to continuation coverage pursuant to the Company's health and medical plans until the earlier of any new employment or the expiration of the time period allowable under applicable law for continuation coverage. If such participation is not permitted under the terms of any such health and medical plans, the Company shall pay to Mr. Munson an amount equal to the Company's cost of acquiring those benefits during Mr. Munson's employment. In the event Mr. Munson's employment is terminated within 12 months after a change of control, Mr. Munson is entitled to receive a lump sum payment equal to 24 months of his base salary in effect on December 31, 2015, plus payment for any accrued but unused vacation to the date of termination. In addition, Mr. Munson shall be entitled to, at his election, continuation of coverage pursuant to the Company's health and medical plans and the Company at his expense. The Company shall reimburse Mr. Munson for those continuation coverage payments he must make until the earlier of any new employment or the expiration of the maximum period allowed for such continuation

coverage. If such participation is not permitted under the terms of such health and medical plans, the Company shall pay Mr. Munson an amount equal to the Company's cost of acquiring those benefits during Mr. Munson's employment. Any stock options shall be treated in accordance with the terms of the option agreements between Mr. Munson and the Company.

In the event the employment agreement was terminated in the financial year ended December 31, 2019, the Company estimates that Mr. Munson would have been entitled to total compensation of \$692,472.

P. Greg Barnes ~ The employment agreement entered into among the Company, a wholly-owned subsidiary of the Company and Mr. P. Greg Barnes, Executive Vice President of the Company, as amended, provides that in the event Mr. Barnes is terminated without cause, the Company (through its wholly-owned subsidiary, which shall collectively be referred to in this paragraph as the "Company") shall pay to Mr. Barnes, conditional upon his execution of a waiver and release of the Company for all potential claims arising from his employment, a lump sum severance payment equal to 12 months of his Base salary in effect on the termination date, and all accrued but unused vacation to the date of termination. In addition, Mr. Barnes is entitled, at his election, to continuation coverage pursuant to the Company's health and medical plans until the earlier of any new employment or the expiration of the time period allowable under applicable law for continuation coverage. If such participation is not permitted under the terms of any such health and medical plans, the Company shall pay to Mr. Barnes an amount equal to the Company's cost of acquiring those benefits during Mr. Barnes' employment. In the event Mr. Barnes' employment is terminated within twelve months after a change of control, Mr. Barnes is entitled to receive a lump sum payment equal to 24 months of his base salary in effect on December 31, 2015, plus payment for any accrued but unused vacation to the date of termination. In addition, Mr. Barnes shall be entitled to, at his election, continuation of coverage pursuant to the Company's health and medical plans and the Company at his expense. The Company shall reimburse Mr. Barnes for those continuation coverage payments he must make until the earlier of any new employment or the expiration of the maximum period allowed for such continuation coverage. If such participation is not permitted under the terms of such health and medical plans, the Company shall pay Mr. Barnes an amount equal to the Company's cost of acquiring those benefits during Mr. Barnes' employment. Any stock options shall be treated in accordance with the terms of the option agreements between Mr. Barnes and the Company.

In the event the employment agreement was terminated in the financial year ended December 31, 2019, the Company estimates that Mr. Barnes would have been entitled to total compensation of \$601,676.

Bassam Moubarak ~ Subsequent to December 31, 2019, the Company entered into a management service agreement with Mr. Bassam Moubarak, pursuant to which Mr. Moubarak acts as CFO and Executive Vice President of the Company. This agreement provides that in the event that Mr. Moubarak is terminated without cause, the Company shall pay to Mr. Moubarak a termination fee equal to 24 months of base salary plus any reasonable expenses incurred by Mr. Moubarak during the engagement. In the event the agreement is terminated after a change of control, the Company shall pay to Mr. Moubarak a termination fee equal to 36 months of base salary plus bonuses earned in the past 36 months plus a 1% of the market capitalization of the Company on announcement on a fully diluted basis plus reasonable expenses incurred. A portion of the fee may be assigned to another party that assists in finding ultimate acquirer where a change of control event occurs. In the event the agreement is terminated with cause or voluntarily terminated by Mr. Moubarak on notice, the Company shall pay base salary and reasonable expenses incurred to the date of termination. Any stock options shall be treated in accordance with the terms of the option agreements between Mr. Moubarak and the Company.

Oversight and Description of Director and Executive Officer Compensation

Compensation of Directors

The Board recommends the amount of cash compensation that will be paid to the directors of the Company for their services as directors. Directors who are also members of management do not receive cash compensation for their role as directors of the Company. Both non-management directors and management directors do, however, receive stock options for their role as directors and/or executive officers with the Company, in such amounts and upon such terms as may be approved by the Board from time to time. The process for determining stock option awards for directors of the Company is based on discussions by the members of the Board and the executive team and determined and recommended for approval by the compensation committee (the “**Compensation Committee**”) of the Board pursuant to the charter of the Compensation Committee. Stock option grants are typically made at the beginning of each fiscal year. The number of stock options granted will depend on the performance of each director, which is reviewed by the Compensation Committee on an annual basis. Previous grants of stock options also provide a basic guideline for the Compensation Committee in determining new stock option grants.

Except for the grant of stock options, none of the directors of the Company were compensated for services during the financial year ended December 31, 2019 pursuant to any arrangement.

Compensation of Executive Officers

The Board formulates, and the Compensation Committee administers, the Company’s executive compensation program. The executive compensation program comprises two principal elements: base salaries and stock options, which are designed to provide a combination of cash and equity-based compensation to effectively compensate, attract, retain and motivate the executive officers of the Company and to closely align the personal interests of such persons to those of the shareholders of the Company.

(a) *Base Salaries*

Base salaries for executive officers of the Company are reviewed annually by the Compensation Committee, taking into account both corporate and individual performance objectives based on individual levels of responsibility. Rather than strictly applying formulas and weightings to forward-looking objectives, which may lead to unintended consequences for compensation purposes, the Compensation Committee exercises its discretion and uses sound judgement in making compensation determinations. For this reason, the salaries of the executive officers of the Company are not determined based on specific benchmarks or a specific formula. Instead, the Compensation Committee’s assessment is based on a number of qualitative and quantitative factors, including execution of on-going projects and transactions, operational performance and progress on key growth initiatives. Additionally, in establishing the levels of base salary and the award of stock options, the Compensation Committee takes into consideration an executive’s responsibilities, length of service and levels of compensation provided by industry competitors.

(b) *Stock Option Awards*

The Company has adopted the Stock Option Plan that provides for the Board to grant, from time to time, to its directors, officers, employees and consultants, non-transferable stock options to purchase Common Shares, provided that the number of Common Shares reserved for issuance under the Stock Option Plan does not exceed 10% of the Common Shares issued and outstanding at any given time.

The process for determining stock option awards for executive officers of the Company is based on discussions by the members of the Board and the executive team and determined and recommended for approval by the Compensation Committee pursuant to the charter of the Compensation Committee. Stock option grants are typically made at the beginning of each fiscal year. The number of stock options granted will depend on the performance of each executive officer, which is reviewed by the Compensation

Committee on an annual basis. Previous grants of stock options also provide a basic guideline for the Compensation Committee in determining new stock option grants.

(c) Compensation Committee

During the year ended December 31, 2019, the Compensation Committee consisted of David Constable (until his resignation as a director on November 28, 2019), Suresh Beharry and Gordon Keep, all of whom are independent of the Company as defined within applicable Canadian securities legislation.

As of March 31, 2020, the Compensation Committee consists of Brian T. O'Neill (Chairman), Lombardo Paredes-Arenas and Paul Matysek. Brian T. O'Neill and Lombardo Paredes-Arenas are independent of the Company as defined within applicable Canadian securities legislation.

The Compensation Committee of the Board is responsible for developing the compensation strategy of the Company and evaluating executive compensation levels on an annual basis to ensure that the Company's executive compensation levels are within the range of comparables. Among the guiding principles in setting executive compensation is to attract, retain, and motivate high-performing executives through competitive compensation practices.

The Compensation Committee relies on the expertise of its members, gained through their roles as current and/or former officers and/or directors of other companies, in assessing competitive compensations levels for the Company's executives. In addition to its intrinsic capabilities, the Compensation Committee informally considers publicly available data related to compensation levels and programs of a number of companies (the "**Peer Group**") similar in size, scope and complexity as the Company that are representative of the market within which the Company competes for leadership talent and financial resources. Other factors taken into account by the Compensation Committee are an assessment of achievements of the executives and the Company's financial strength.

The Peer Group includes the following companies: Lithium X Energy Corp., Victory Metals Inc. and New Found Gold Corp.

The Compensation Committee determines, on an annual basis, a competitive target for each executive position and adjusts that target to reflect corporate performance and an informal review of the practices of the Peer Group. Base salaries are determined and allocated based on both corporate and individual executive performance, and stock option awards are intended to align the interests of the executives with the interests of the shareholders through holding long-term equity investments in the Company.

The Company is an exploration stage mining company and does not generate stable revenues from operations. Corporate performance and standards that relate to corporate profitability and earnings per share may be less appropriate as a performance goal compared to performance goals related to exploration activity and success. To reflect these factors, the Company may from time to time decide to place less compensation at risk than companies with active production revenues.

(d) Pension Plan Benefits

The Company does not have a pension, retirement, deferred compensation or similar plan.

CORPORATE GOVERNANCE PRACTICES

National Policy 58-201, *Corporate Governance Guidelines* (the “**Guidelines**”) and National Instrument 58-101, *Disclosure of Corporate Governance Practices* (the “**Disclosure Rule**”) are in place in order to provide greater transparency for the marketplace regarding an issuer’s corporate governance practices. Set out below is a description of the Company’s approach to corporate governance, based on the Guidelines and the requirements prescribed by the Disclosure Rule.

Board of Directors

As of the Record Date, the independent members of the Board are Robert Friedland, Suresh Beharry, Brian T. O’Neill, Lombardo Paredes-Arenas and Federico Restrepo-Solano. Paul Matysek and Bassam Moubarak are not considered to be independent within the meaning of applicable Canadian securities legislation, by virtue of their positions as “executive officers” of the Company.

The Board maintains the exercise of independent supervision over management by encouraging open and candid discussion from its independent directors.

Orientation and Continuing Education of Board Members

New members of the Board receive an orientation package which includes reports on operations and results, a policy manual, and public disclosure filings by the Company. Meetings of the Board are sometimes held at the Company’s facilities or by conference call, and are combined with presentations by the Company’s management to give the directors additional insight into the Company’s business. In

addition, the CEO sends reports to the Board relating to corporate activities, and management of the Company makes itself available throughout the year for discussion with all members of the Board.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors pursuant to corporate legislation and the common law, and the conflict of interest provisions under corporate legislation which restrict an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient, at the current stage of the Company, to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The size of the Board is reviewed annually when the Board considers the number of directors to recommend for election at the annual meeting of shareholders. The Board takes into account the number of directors required to effectively carry out the duties of the Board, and to maintain a diversity of views and experience.

In the event it is determined a new Board member would add to the composition of the existing Board, or if a current Board member has offered his resignation, the Board will then designate a nominating committee (the "**Nominating Committee**") from among its remaining Board members to identify the mix of qualifications, appropriate skills, characteristics and experiences that should be represented by any new Board member(s). The Nominating Committee will be delegated by the Board with the authority to search for qualified candidates with input from management and other Board members; engage a search firm to assist in identifying potential candidates; and recommend a nominee for full Board endorsement of the selected candidate based on the Nominating Committee's judgement as to which candidate will best serve the interests of the Company's shareholders.

Compensation of Directors and Executive Officers

The Compensation Committee administers the Company's compensation program for directors and executive officers, which includes base salaries and stock option awards. In assisting to attract, retain, and motivate high-performing executives through competitive compensation practices, the Compensation Committee strives to contribute to an increase in shareholder value for the Company's shareholders. See "Director and Executive Officer Compensation – Oversight and Description of Director and Executive Officer Compensation", above, for additional details.

Assessment of Directors, the Board and Board Committees

The Board monitors the adequacy of information given to directors, the communications between the Board and management and the strategic direction and processes of the Board and its audit committee ("**Audit Committee**") and Compensation Committee in order to satisfy itself that the Board, its Audit Committee, its Compensation Committee and its individual directors are performing effectively.

- (c) In the event the Shares are not listed on any exchange and do not trade on any dealing network, the market price will be determined by the Board.
- (d) The approval of disinterested shareholders will be required for any reduction in the price of a previously granted Option to an insider of the Company.

- (b) The aggregate number of Shares reserved for issuance pursuant to this Plan or any other share compensation arrangement (pre-existing or otherwise) to insiders of the Corporation shall not exceed 10% of the Shares outstanding from time to time.

- (b) Notwithstanding any other provision of this Plan, in the event the expiry of an Option falls within, or within two (2) days of, a trading Blackout Period imposed by the Corporation, the expiry date of such Option shall be automatically extended to the 10th business day following the end of such Blackout Period. The term “**Blackout Period**” shall mean any period during which a Corporation policy prevents insiders from trading Shares.
- (c) Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, or that no vesting

- (d) Subject to any vesting restrictions imposed by the Board, Options may be exercised in whole or in part at any time and from time to time during the Option period. To the extent required by the Exchange, no Options may be exercised under this Plan until this Plan has been approved by a resolution duly passed by the shareholders of the Corporation.
- (e) Except as set forth in Sections 11 and 12, no Option may be exercised unless the Participant is at the time of such exercise a director, officer, Consultant, or employee of the Corporation or any of its subsidiaries or affiliates, or a Management Employee of the Corporation or any of its subsidiaries or affiliates.
- (f) The exercise of any Option will be contingent upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Shares with respect to which the Option is being exercised, accompanied by certified cheque or bank draft for the full purchase price of such Shares with respect to which the Option is exercised. No Participant or his/her legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any common shares of the Corporation unless and until the certificates for Shares issuable pursuant to Options under the Plan are issued to him/her or them under the terms of the Plan.

10. **Ceasing to Be a Director, Officer, Consultant or Employee**

- (a) Subject to subsections 9(b) and 10(b), if a Participant shall cease to be a director, officer, Consultant, employee of the Corporation, or a subsidiary or affiliate, or ceases to be a Management Company Employee, for any reason (other than death), such Participant may exercise his/her Option to the extent that the Participant was entitled to exercise it at the date of such cessation, provided that such exercise must occur within 90 days after the Participant ceases to be a director, officer, Consultant, employee or a Management Company Employee, or 30 days if the Participant is an Investor Relations Person or an Investor Relations Consultant and the Shares are listed on the TSXV. Notwithstanding such 90-day Option termination period, or 30-day Option termination period in the case of an Investor Relations Person or an Investor Relations Consultant, while listed on the TSXV, the Board shall have the discretion to extend such Option termination period to up to a maximum of one-year after the Participant ceases to be a director, officer, Consultant or employee of the Corporation or any of its subsidiaries or affiliates. In the event that the Shares are listed on the TSX, the Board shall have the discretion to extend such Option termination period to up to the maximum outstanding term of the Option.
- (b) Nothing contained in the Plan, nor in any Option granted pursuant to the Plan, shall as such confer upon any Participant any right with respect to continuance as a director, officer, Consultant, employee or Management Company Employee of the Corporation or of any of its subsidiaries or affiliates, or interfere in any way with the right of the Corporation or any subsidiary or affiliate to terminate the Participant's employment at any time.

11. **Death of Participant**

Subject to subsection 9(b), in the event of the death of a Participant, the Option previously granted to him/her shall be exercisable within the one (1) year after the date of death and then only:

- (a) by the person or persons to whom the Participant's rights under the Option shall pass by the Participant's will or the laws of descent and distribution; and
- (b) if and to the extent that such Participant was entitled to exercise the Option at the date of his/her death.

Notwithstanding the foregoing, in the event that the Shares are listed on the TSX, the Board shall have the discretion to extend such Option termination period to up to the maximum outstanding term of the Option.

12. **Rights of Optionee**

No person entitled to exercise any Option granted under the Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such Option until certificates representing such Shares shall have been issued and delivered.

13. **Take-over Bid**

If a bona fide offer (the "**Offer**") for Shares is made to the Participant or to shareholders generally or to a class of securityholders which includes the holders of Options, which Offer, if accepted in whole or part, would result in the offeror exercising control over the Corporation within the meaning of the *Securities Act* (Ontario), then the Corporation shall, immediately upon receipt of notice of the Offer, notify each Option holder of the full particulars of the Offer. The Board will have the sole discretion to amend, abridge or otherwise eliminate any vesting schedules so that notwithstanding the other terms of this Plan, such Option may be exercised in whole or in part by the Option holder so as to permit the Option holder to tender the Shares received upon such exercise (the "**Optioned Shares**") pursuant to the Offer. If:

- (a) the Offer is not complied with within the time specified therein;
- (b) the Option holder does not tender the Optioned Shares pursuant to the Offer; or
- (c) all of the Optioned Shares tendered by the Option holder pursuant to the Offer are not taken up and paid for by the offeror in respect thereof;

14. then, at the discretion of the Board, the Optioned Shares, or in the case of subsection (c) above, the Optioned Shares that are not taken up and paid for, shall be returned by the Option holder to the Corporation and reinstated as authorized but unissued Shares and the terms of the Option as set forth in this Plan and the applicable Option Agreement shall again apply to the Option. If any Optioned Shares are returned to the Corporation in accordance with this section of the Plan, the Corporation shall refund the exercise price to the Option holder for such Optioned Shares.

15. **Adjustments**

If the outstanding Shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Corporation or another corporation or entity through re-organization, merger, statutory arrangement or amalgamation, re-capitalization, re-classification, stock dividend, subdivision or consolidation, a separation of the business of the Corporation into two or more entities, a transfer of all or substantially all of the assets of the Corporation to another entity, or similar corporate transaction, upon the exercise of an Option under the Plan, the holder thereof shall be entitled to receive the securities, property or cash which the holder would have received upon such consolidation, merger, amalgamation, arrangement, separation or transfer if the holder had exercised the option immediately prior to such event, unless otherwise determined by the Board in its sole discretion, which determination shall be final, binding and conclusive. No fractional Share shall be required to be issued under the Plan on any such adjustment.

16. **Transferability**

All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable other than as specifically provided herein and to the extent provided by the applicable laws of descent. During the lifetime of a Participant any benefits, rights and Options may only be exercised by the Participant.

17. **Amendment and Termination of Plan**

Subject the requisite shareholder and regulatory approvals set forth under subsections 16(a) and 16(b) below, the Board may from time to time amend or revise the terms of the Plan or may discontinue the Plan at any time provided however that no such right may, without the consent of the optionee, in any manner adversely affect his/her rights under any Option theretofore granted under the Plan.

- (a) The Board of Directors may, subject to receipt of requisite shareholder and regulatory approval, make the following amendments to the Plan:
- (i) any amendment to the number of securities issuable under the Plan, including an increase to a fixed maximum number of securities or a fixed maximum percentage of securities, as the case may be, or a change from a fixed number to a fixed percentage of securities;
 - (ii) any change to the definition of "Participants" which would have the potential of narrowing or broadening or increasing insider participation;
 - (iii) the addition of any form of financial assistance;
 - (iv) any amendment to a financial assistance provision which is more favourable to Participants;
 - (v) any addition of a cashless exercise feature, payable in cash or securities which does not provide for a full deduction in the number of underlying securities from the Plan;
 - (vi) the addition of deferred or restricted share unit or any other provision which results in Participants receiving securities while no cash consideration is received by the Corporation; and
 - (vii) any other amendments that may lead to significant or unreasonable dilution in the Corporation's outstanding securities or may provide additional benefits to Participants, especially to insiders of the Corporation, at the expense of the Corporation and its existing shareholders.
- (b) The Board may, subject to receipt of requisite regulatory approval, where required, in its sole discretion make all other amendments to the Plan that are not of the type contemplated in subsection 16(a) above, including, without limitation:
- (i) amendments of a housekeeping nature;
 - (ii) the addition of or a change to vesting provisions of a security or the Plan;
 - (iii) a change to the termination provisions of a security or the Plan which does not entail an extension beyond the original expiry date; and
 - (iv) the addition of a cashless exercise feature, payable in cash or securities, which provides for a full deduction of the number of underlying securities from the Plan reserve.

- (c) Notwithstanding the provisions of subsection 16(b), the Corporation shall additionally obtain requisite shareholders approval in respect of amendments to the Plan that are contemplated pursuant to subsection 16(b) to the extent such approval is required by any applicable law or regulations.

18. Necessary Approvals

Notwithstanding any other provision of this Plan, the ability of a Participant to exercise Options and the obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to any approvals which may be required from shareholders of the Corporation and any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. If any Shares cannot be issued to any Participant for whatever reason, the obligation of the Corporation to issue such Shares shall terminate and any Option exercise price paid to the Corporation will be returned to the Participant.

19. Effective Date of Plan

The Plan was adopted by the Board of the Corporation effective as of March 16, 2007, and is effective as of such date for all actions of the Board with respect to all Options that have been issued by the Corporation, regardless of subsequent amendments to the Plan.

20. Special Rules for US Participants

This Section is applicable to Options awarded to Participants who are subject to taxation within the United States of America ("**US Participants**"). Notwithstanding any provision of the plan to the contrary, the exercise price of the Shares subject to options awarded to US Participants will not be less than the Fair Market Value of the Shares on the date the Option is granted. For purposes of this Section, "**Fair Market Value**" means, at any date in respect of the Shares, (i) the closing price of the Shares as reported by the Exchange on the last trading day immediately preceding such date, or (ii) if the Shares are not listed on any stock exchange, the fair market value as determined by the Board. Notwithstanding Section 7(b), the exercise price for options awarded to US Participants may not be reduced to an amount that is less than Fair Market Value of the Shares at the date the exercise price is reduced.

21. Withholding Taxes, etc.

For certainty and notwithstanding any other provision of the Plan, the Corporation or any Affiliate may take such steps as it considers necessary or appropriate for the deduction or withholding of any income taxes or other amounts which the Corporation is required by any law or regulation of any governmental authority whatsoever to deduct or withhold in connection with any Share issued pursuant to the Plan, including, without limiting the generality of the foregoing, (a) withholding of all or any portion of any amount otherwise owing to a Participant; (b) the suspension of the issue of Shares to be issued under the Plan, until such time as the Participant has paid to the Corporation an amount equal to any amount which the Corporation is required to deduct or withhold by law with respect to such taxes or other amounts; and/or (c) withholding and causing to be sold, by it as an agent on behalf of a Participant, such number of Shares as it determines to be necessary to satisfy the withholding obligation. By participating in the Plan, the Participant consents to such sale and authorizes the Corporation to effect the sale of such Shares on behalf of a Participant and to remit the appropriate amount to the applicable governmental authorities. The Corporation shall not be responsible for obtaining any particular price for the Shares nor shall the Corporation be required to issue any Shares under the Plan unless the Participant has made suitable arrangements with the Corporation to fund any withholding obligation.

22. **Record Keeping**

The Corporation shall maintain a register in which it shall record the name and address of each Option holder, the number of Options granted to such holder and the details thereof and the number of Options outstanding.

23. **Interpretation**

The Plan will be governed by and construed in accordance with the laws of the Province of British Columbia.

5. The Committee shall meet no less frequently than annually with the Independent Auditors and the Chief Financial Officer or, in the absence of a Chief Financial Officer, with the officer of the Corporation in charge of financial matters, to review accounting practices, internal controls and such other matters as the Committee, Chief Financial Officer or, in the absence of a Chief Financial Officer, with the officer of the Corporation in charge of financial matters, deems appropriate.

7. The Committee shall review the post-audit or management letter containing the recommendations of the Independent Auditors and management's response and subsequent follow-up to any identified weaknesses.
8. The Committee shall ensure that there is an appropriate standard of corporate conduct including, if necessary, adopting a corporate code of ethics for senior financial personnel.

C Majority Voting Policy

1. In the event any resignation is submitted in accordance with the Corporation's Majority Voting Policy (the "Policy"), the Committee shall consider whether or not to accept the resignation and shall recommend to the Board whether or not to accept it. In considering whether or not to accept the resignation, the Committee will consider all factors deemed relevant by the Committee, including, without limitation, the stated reasons, if any, why shareholders of the Corporation withheld votes from the election of that nominee, the length of service and the qualifications of the director whose resignation has been submitted, such director's contribution to the Corporation, the Corporation's governance guidelines and, if the Corporation is listed on a stock exchange, such stock exchange's listing standards.
